

THIS IS AN EXTENDED CALL FOR EXPRESSION OF INTEREST
for the
Postgraduate Diploma in Education (PGDE) and
Post Vocational Teacher Education (PVTE) programs
on offer during Christmas Vacation Period 2018/2019

RATIONALE/PROGRAM STRUCTURE

The University of Goroka (UOG) through its business arm, Unigor Ltd commenced offering PGDE & PVTE programs last Christmas Vacation Period (CVP). The recent move to have these programs run as projects is in response to the national need for teacher training of 'untrained' & 'unqualified' teachers in the Education system. These programs will continue this year and beyond until the demand for 'qualified professional teachers' in schools is met. Appointment of 'untrained/unqualified' teachers in schools is forced on by increased student numbers and more new schools. UOG has responded to specifically design and offer these programs for 'untrained'/'unqualified' teachers. It assures stakeholders that graduates from these programs will be equipped to become effective classroom teachers. The programs are offered in two subsequent Sessions of six weeks each. Courses offered face-to-face in each Session are assessed in the 6th Week. Microteaching & Teaching Practice are conducted during School Term 3.
